

1,120L Tow-Behind Spreader

Durable ground-drive spreader designed for daily use and smaller loads. Built from high quality materials, designed to last. Featuring fully welded 12-gauge steel body, heavy duty steel frame and simple A-frame hitch. Easily towed behind your ATV / Quad Bike (350cc+), Ride-on Mower (20HP+) or Tractor (18HP+).

 Some Assembly Required

 Gearbox Oil Not Included

This spreader is great for use with manure from sheep and cows. Can also be used to spread fertilizer, salt, organic manure and so on.

The ratchet-clutch drive system moves the conveyor chain along in consistent, small increments, while the chain-driven spinner ensures a constant spray of material at the rear.
