

38 Inch Lawn Sweeper

The LawnMaster 38 Inch Tow-behind Lawn Sweeper is an exceptionally useful piece of garden equipment. This reliable time saving machine has a heavy-duty steel frame that is powder coated and anodised for corrosion resistance. This 38 inch garden and grass sweeper is the perfect companion for you ride-on mower or other garden tractor to keep your lawn looking its best. It's ideal for medium to large yards, small farms and acreage. Removing fallen leaves through Autumn and Winter allows your lawn continued exposure to sunlight and stay healthy which minimizes die off.

The sweeper comes with stiffened nylon brushes and adjustable sweep height to effectively remove debris from pavements, grass, artificial turf or other garden surfaces. It's ideal for picking up leaves, twigs, grass clippings and so much more, this sweeper comes complete with a universal hitch pin coupler, which makes it easy and hassle-free to attach to your garden tractors, ATV's, and ride on mowers alike. With 10" puncture-proof solid tyres, it's driven by the rotation of the wheels and these brushes rotate and throw debris into the catcher bin. The LawnMaster tow-behind sweeper is a must have for your lawn. It also helps that it has a large nylon hopper and a huge load capacity of up to 340 litres. And when you're done, the convenient pull rope makes unloading the hopper a breeze.
