

# 1,200mm PTO Shaft

Featuring solid universal joints made from hardened steel, these PTO shafts are designed for durability and strength, making them suitable for use with various types of agricultural machinery. Tractor End: 1-3/8" (34.9mm) x 6 spline; Implement End: 1-3/8" (34.9mm) x 6 spline.

This design ensures compatibility with similar-sized tools and tractors, providing exceptional transmission power for your equipment. The inclusion of a safety chain and plastic shield mitigates potential hazards during the transmission process.
