

# Rotary Tiller

Whether you are laying turf around a golf course or growing small crops, the rotary hoe is perfect for preparing your top soil for planting - creates a seed bed finish and is ideal for crop and lawn preparation - improving productivity, as well as presentation. Adjustable rear flap for safety as well as providing a smooth finish - extra strong tynes for a more thorough tilling of top soil - height adjustable skids for depth control - extra strong design for long life & reliability.
