Discount Tractors Donates Tractor to STB
Hi Mitch, firstly, I'm still overwhelmed about the fantastic tractor, it will be so useful here and also save me the cost of regular slashing etc. Please tell Steve it's a very generous gift and incredibly kind of you all.

At long last we have our tractor, all looks great. Just unpacked it this afternoon. Have to leave it on the mainland as I have to go Brisbane for a week. There was great interest in it. We held all the traffic in Santo. Was just like Christmas! All the town came to see.

We got the tractor. We are all so happy. The kids are so excited. We have proud parents giving Trevor the tractor to son Matt and bride to be Katie. They think it's the best wedding gift they could ever receive. Matt can't wait to get into doing all the things on their small acreage to make the property just right for their special day. Last pic is Matt giving Katie a ride back to the house with new kelpie Dolly. Richard who delivered the truck was fantastic. A wonderful experience. We would recommend you to others.
Thanks again.
