

# Skid Steer Post Hole Borer

Need to dig precise holes quickly and efficiently? This Post Hole Borer is built for the job. Designed to tackle tough ground conditions, it mounts seamlessly to all common hydraulic excavators, mini excavators, skid steer loaders, backhoe loaders, telescopic handlers, wheel loaders, and more. But it's more than just a hole-digger - this attachment is a true multi-tasker. Pair it with an earth drill, stump planer, or mixer bowl to suit a wide range of applications, from fence post installation to stump removal and concrete mixing. It comes ready to work with a universal skid steer coupling plate and standard hydraulic couplers.
