

# Stick Rake

Easily clear debris to prevent fires spreading. Use in grassy areas where debris has been left after storms. Useful prior to slashing and mowing. Angle adjustable rake for clearing off to the side, durable spring steel tynes for contouring over uneven terrain, high strength frame, bracing leg for easy storage and attachment.

Discount Implements is a subsidiary of Discount Rural. Full specifications are available on our website. All prices are inclusive of GST. Warranty is strictly back-to-base. For full terms and conditions for the warranty, please visit our warranty page. \*Offers, inclusions and accessories are available only while stocks last and are subject to availability. Offers and/or included accessories may be withdrawn or changed without prior notice. Included bonuses may be changed for an alternative of lesser retail value at agents discretion. Package deal price(s) available only at designated marketing events or at dealers discretion. Prices and specifications correct at time of publication but are subject to change and/or correction without prior notice. Implements with gearboxes (ie. Connect to the tractor with a PTO shaft) do not contain oil when new - add gear oil before use. Some assembly is required. Gear oil not included.
